Geological Survey Reconnaissance Series,
Sheets ST 57-60/2, 6 . . . . . Pub. 1965
H. O. Bathymetric data to 1968
Miscellaneous data

CAUTIONS

1. The area portrayed by this chart has not been completely surveyed and most of the data are of a reconnaissance nature only. Mariners are warned to exercise extreme caution when navigating in these waters.
2. Differences in latitude and longitude may exist between this and other charts of the area; therefore, the transfer of positions from one chart to another should be done by bearings and distances from common features.
3. Magnetic variations shown are approximate only.

NOTE

Commanding officers of ships using this chart are requested to add ship's track, soundings, aids and dangers to navigation, any pertinent remarks, and return the chart to the U.S. Naval Oceanographic Office, Washington, D. C. 20390.
